DESCRIPTION AND PURPOSE OF ITEM

This item indicates if the structure is flared (i.e., the width of the structure varies). Generally, such variance will result from ramps converging with or diverging from the through lanes on the structure, but there may be other causes. Minor flares at ends of structures should be ignored.

CODE AND SCREEN ENTRY INSTRUCTIONS

A one-digit field.

Enter the appropriate code for each structure.

<u>Code</u>	<u>Description</u>
1	Yes, flared
0	No flare
